

The How and About of Our Monthly Photo Contest.

In order to make our newsletters more interesting and relevant to you we have a monthly photo contest. The winning photo headlines our next newsletter and is featured in our store for that month. At the end of the month the winning photographer will receive the 16 X 20 Giclee print of their winning photo which we had on display.

We welcome and ask all of our friends to enter images that they have created within the last year for consideration. Our judging standards will be a bit on the wild side so we welcome any and all images.

How do I get in on this great deal you ask? Well it is very simple. Go the “On Line Prints” section of our website (www.LakeShoreCamera.com) and up load your images as though you were ordering a 16 X 20 print. Now the important part under the comments section of the order form enter this text “Do Not Print photo contest entry”

Because only readers of this web page and those who receive our e newsletter know about this contest, yours odds of winning are amazing! Should you not win on your first try, give us another shot. Like I said in the last sentence, your odds of winning are really good. Please don't make me beg for entries, I make a really sad and pathetic beggar.
